

Dear church family,

As we work together to be the church by pointing people to the hope, love and wholeness found only in Jesus Christ, we as a leadership team are working hard to do three things really well:

1. Provide recorded Sunday sermons on our website and Facebook page.
2. Provide consistent updates, teachings and devotionals on our website.
3. Provide a two-way channel for communication so that we can know how you're doing, how we can serve you and your family, and how we can be praying for one another and our community.

We pray we will all remember this is:

- Still a time to trust in the sovereignty of God
- Still a time of community
- Still a time to reach out to the body of Christ and the community in new ways and methods
- Still a time of prayer and fasting
- Still a time to remember that He is good and His is enough

In Him,
Well Madera Leadership Team
